

WILLISTOWN TROOP 78

2027 High Adventure – Sea Base

Join Troop 78 for an unforgettable trip to Scouting America's high adventure Sea Base full of ocean exploration and good scouting fun!!

Will you join the crew?

Sea Base Adventures: We are considering three different Sea Base adventures for the 2027 Troop 78 Crew

- **Option A: US Virgin Island / St. Thomas Sailing**

- Experience the allure of the U.S. Virgin Islands. Here, the trade winds blow, offering some of the best sailing in the world. Upon arrival, your crew will board a 40-foot plus vessel with an experienced captain. Most crews attain the 50 Miler Award as they circumnavigate the crystal blue waters surrounding the island of St. John. In addition to sailing, your unit will snorkel pristine coral reefs, hike in Virgin Islands National Park, swim ashore to incredible beaches, and more!

- **Option B: SCUBA Adventure**

- The Florida Keys are home to the only coral barrier reef in North America. From Sea Base's fleet of custom-built Newton Dive Specials, you will explore coral reefs, discover wrecks, underwater rock formations, and scuba dive. During this adventure (weather permitting) you will make as many as 11 dives, including a night dive. **You must be a certified diver to participate**

- **Option C: SCUBA Live Aboard**

- Scuba combined with a live aboard experience creates one incredible adventure. You will spend your days discovering the Florida Keys National Marine Sanctuary above and below the water's surface. During this adventure, you will dive 11 or more times including at least one night dive (weather permitting). When you are not diving, there will be opportunities for fishing and cruising the Florida Keys. **You must be a certified diver to participate**

Dates: TBD - We are exploring two different date ranges (a) Spring Break 2027 or (b) Summer in July

Cost: \$2,500 - \$3,500 (estimates), final number based on Sea Base adventure and participation

Requirements: 1st Class, +14 years or older and for Option B and C Scuba certified
