

## Connecting with Summit Lake 2023 Event Final Details

The Event is approaching quickly! This packet includes new details like Saturday meeting time/location, Event Schedule, and re-stating important details. We are no longer accepting additional RSVP'S. We are providing food for lunch/dinner Saturday, and breakfast/lunch Sunday.

### Saturday (June 3rd) Meeting Details!

**FOR THOSE OF YOU WHO REQUESTED TRANSPORTATION IN YOUR RSVP,**

**Time:** we will be LEAVING the office at 6am Saturday (June 3<sup>rd</sup>). In order to accommodate with our busy schedule for the weekend, we ask that members arrive at least 30 minutes before departure time to give staff and volunteers enough time to pack supplies and finish a head count. There is no promise that we will hold transportation for any late parties.

**Meeting place:** The address for our Sparks location is 2255 Green Vista Dr. Suite 402. We ask you to park your cars in the highlighted sections below to leave room for other business parking spots. Summit Lake Office is not liable for any damage or theft to your vehicle while you are gone. **Tribal members will be leaving their vehicles at their own risk.**

We will be taking UNR Vans along with company vehicles so your party might be split up, we will try to accommodate to the best of our ability to keep parties together. **We have planned to provide transportation for the exact number of RSVPs that requested it, meaning if there was a last-minute addition to your party and we weren't notified, they will need to provide their own transportation!**

The event is an overnight stay and vehicles will be returning Sunday Evening. If using our transportation, please try to pack light to make room for other bags.

**FOR THOSE PROVIDING THEIR OWN TRANSPORTATION,**

The event will officially start at noon on Saturday. Our Provided Transportation will be taking the Denio/Winnemucca way and we invite any tribal members to follow behind our Vans. If you wish to drive up behind our company vehicles, **we will be leaving the Sparks location at 6am Saturday morning.** You can park temporarily in any spot not highlighted below to leave spaces for those leaving their car overnight.
