KIWANIS MEETING OF December 10th, 2018

We had a nice turnout of members and guests for our Christmas luncheon. Present were members with guests: Dal (Lorna)---Doug (Heather)---Ann (Dennis)---Emmet (Ruth and Emmet's helper)---Vince (Nancy)----Bob F. (Anne). Members without guests: Ben, Joe, Maria, Anne, Bob R., and Pat. Betty Tilkens was also at the meeting. A total of 20 people.

Our special Christmas meal included beef roast, mashed potatoes, sweet potato fries, bread and a VERY chocolate and VERY good cake.

While we ate, a flute ensemble from East High School consisting of five students and their teacher, entertained us with Christmas songs. Four of the students and the teacher played conventional flutes, but one student played a bass flute. The bass flute is longer and has a larger barrel than a regular flute. Most of us had never seen or heard a bass flute before and at our request the girl flutist played several notes, which had a sound much deeper than a regular flute.

“In The News,” Joe mentioned that our new officers and directors who took office on October 1st were mentioned in a brief article in the Press Gazette.

Happy Dollars were from Dennis Lautenschlager who said that his wife Ann Patteson would be celebrating her (??th) birthday the next day, December 11---from Doug who told us that his daughter, who is a freshman student at Northern Michigan University, has a solo in a musical version of “Scrooge.” Doug and his wife will make the trip to Michigan to see the show---from Joe who donated two dollars in recognition of the Packers win (finally), and for Aaron Rodgers record of passes without an interception.

Our songs, as selected by Ann, were The Packer Song---God Rest You Merry Gentlemen---and Jingle Bells. The songs were seasonal and Packeral.

If you are reading this before Monday December 17, remember that our meeting that day is at the Riverside Ballroom for a Holiday luncheon with the Nicolet School third grade students. The meeting starts at 11:45 and will end at 1:15.
