Dear Brothers & Sisters

Blessings and Peace to you!

Our Parish is constantly finding ways to respond to the changing needs of parishioners, with respect to both spiritual matters as well as to the physical environment.

Through feedback received from parishioners, and through the process of listening and deliberation, the Parish Pastoral Council is able to make decisions affecting the spiritual and material comfort of the parish community.

Putting decisions into action depends largely upon the support and collaboration of all parishioners. A project that the Parish Pastoral Council has been working upon is the installation of 5 new units of air-conditioners in the church. With the increasing warm weather conditions, the existing air-conditioning is inadequate to serve the interior of the whole church.

The cost of the installation is estimated at RM97,500.00 covering the 5 air-conditioning units, wiring work and air-con panels.

We look forward to your support and financial assistance to carry out this costly but necessary project for the benefit of all. Your contribution of any amount is very much appreciated.

Kindly make your contribution to:-

(Public Bank:) "**PARISH OF OUR MOTHER OF PERPETUAL HELP**"  
(Account number: 3096 86 4807) OR,  
you can write a cheque made payable to :

and hand to the parish office.

Thank you for your generous support. Together we can make it!
