- c. Discussion on Interaction time/Club timing issues. We will be looking at how this work, and what is best for students who need the additional support.

Building Level Reports

STG concerns about the plan for replacing school counselor as she is retiring. What can we do about this? Transition help for students

STG teachers were unhappy with how Halloween was handled.--So next year put the issue on September PLC to say you want a parade.

EH would like to know the results of the environmental testing asap. Info is not being shared
If Nationally certified in psychology, is there a stipend for that? --Not sure will look into.
Nurse never gets her full 30 min lunch period.--- Nurse should indicate when her lunch is and then say where kids should go in emergency.
Principal asking them to fill out requests to be in late or leave early. conversations will happen about this issue.- John will look into this.

SR- none

OR- questions about air quality based on SLC issues.

Student attendance issue at all levels- what is the protocol for addressing it

WGM- email from Steve- no more 0s and mandatory IT for those kids. Wanting kids to do 3-4pm with teacher getting paid. Will check on this

CMS concerns with middle school equity. Number of teachers to students at each school. ---
Principal sets the schedule, and we don't really have a position on caseload. Teachers could ask to discuss plans for IS support, but it will never be equitable given the size of the building. They do need to continue to try having discussions about the model.

Positivity project- need clarification on teachers responsibility to plan and create lessons for P2

HS still no subs

Questions about grading-is giving a 50 when kid earns a 6 legit?

Motion to Adjourn meeting by Dawn Personte, seconded by Mary Weaver.

Meeting adjourned 5:30 pm
