

SEAMLESS

How God's hand comes in and starts to smooth things over.

I heard this word coming down the road tonight and started thinking of how the Lord deals with things in my life and how He bring things about. When the things that He has blessed start to manifest in my life there is a seamless effort and forward movement. I'm not saying that I don't hit bumps in the road, but I am saying that the Lords hand makes things smooth in ways that are brilliant!

One example for me would be that His hand of provision over our life in the past few years has been seamless on His part. Although I didn't know where the next lump of \$ was going to come from for bills and gas, it came RIGHT ON TIME every single time the need was there and the prayer went up. Sometimes even before I laid my head down to rest – my husband would walk in the door with a wad of money and a story about someone that he helped. The Lord knew exactly when the need was there and made things happen – on His part – seamlessly.

Proverbs 3:5-6 – Trust in the LORD with all your heart, And lean not on your own understanding; ⁶ In all your ways acknowledge Him, And He shall direct your paths.

Hebrews 4:16 – Let us therefore come boldly to the throne of grace, that we may obtain mercy and find grace to help in time of need.

Another example would be, my mom had been dealing with a particular situation in her life in the past 3 weeks and it's been time-consuming and the need for discernment, prayer and wisdom was high. We had been praying and counseling together with a few others for some time and one night she was at a place where she was alerted to what was operating in this situation (in particular, chaos and frustration) – she recognized it and dug deep and quietly prayed to God within herself. I sensed there was something going on – but that I needed to let her be. Within a short amount of time she turned around with tears in her eyes and joy all over her face because the Lord had not only released her from the frustration of this matter,

but had shown her what she was dealing with and how to cut it off and love in return. God seamlessly guided her and answered her prayer and led her to understanding.

Dear friends, we serve a God who loves us so much that He longs to open our eyes and ears to His truths and His plan! He wants us to be clear minded and know how to operate because we are a part of Him – we are His extension here on earth and He desires to flow through us and use us to illustrate His character, His grace, His love, His power to the world around us.

Psalm 55:22 – Cast your burden on the LORD, And He shall sustain you; He shall never permit the righteous to be moved.

(sounds like seamless effort to me!)

One more thing to be reminded of – the visionary in me wants us to close our eyes and think of a nice fluffy, warm infinity scarf that circles around our necks keeping the cold winds from coming at our face, neck, and ears. This scarf has no seam – it has no place where it can start to come apart, no place where it can start to unravel because it is ONE from beginning to end.

God's got you!

One more scripture – as we are obedient to His Word, we can be certain that the Lord is at work in and through us – we become workers for Him – keepers of His presence – as we ask Him for His will to be done in our lives – for His kingdom to come within us and we start to operate in His love – knowing His ways are higher and He flows effortlessly – SEAMLESSLY – enjoy being a flowing part of His greatness. It's our inheritance!

**Philippians 2:12-13 – Therefore, my beloved, as you have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling;
¹³ for it is God who works in you both to will and to do for His good pleasure.**

The below Youtube video is a seamless flow of worship by a group called Frontline Worship.
