Principal

I would like to remind the students of the words of Calvin Coolidge
Persistence

Nothing in the world can take the place of persistence.
Talent will not; nothing is more common than unsuccessful
men with talent.
Genius will not; unrewarded genius is almost a proverb.
Education derelicts.
Persistence and determination alone are omnipotent. The
slogan "Press on" has solved, and always will solve, the
problems of the human race.

Charles Lemley

Superintendent

TO MAGDALENA SCHOOL YEARBOOK STAFF:

It is my pleasure to commend you highly for the services that you have rendered the Magdalena Municipal School District.

It is my fond expectation that you have gained worthwhile educational experiences in putting together the yearbook for 1977.

This momento will serve as a reminder to you as well as all other students, faculty members, and school patrons, the worthwhile experiences encountered during the year 1976-1977. This momento will also serve as a communication media to depict the school activities that were engaged in and enjoyed by our school population.

We wish you much success in all your future endeavors.
