

# Maine Groundwater Newsletter

## “Keeping you in the Flow”

**Officers:**  
 President: Joe Gallant  
 839-3030  
 VP: Mark Weeks  
 465-3753  
 Treasurer: Susan Smith  
 839-3293  
 Secretary: Pat Pratt  
 666-5687  
 Past President: Jim Innis  
 942-5646

At Spring Demo, Dick Hatten presented Rodney and Pat Pratt with a plaque for being directors and for their dedicated service to NEWWA for many, many years.

This newsletter is funded by the Maine Groundwater Association through member dues and advertising. Any member of the Association wishing to receive a newsletter may contact the president or treasurer of the Association listed on the front of the newsletter.

**Directors**

**Terms expiring 2015:**  
 Frank Hegarty - 929-0274  
 Ted McLeod - 848-5520  
 Mark Taplin - 374-5447

**Term expiring 2016:**  
 Harry Hanscom - 825-4983  
 Scott Hodgdon - 782-4533  
 Marc Stevens- 563-3003

**Mark Your Calendars**

Here are the dates which have been set for various meetings. The MGWA Director's Meeting schedule is being reset. Meetings start at 6:00 pm and are held at the Best Western Plus, 375 Main St, Waterville. For the Oct. meeting date, please call a Director. The Commission meets the first Tuesday of each month. These meetings are held at 286 Water Street, Key Bank Plaza, in Augusta.

The National Groundwater Expo will be held in Las Vegas from December 9 to 12.

# MGWA Director's Minutes for April

The meeting was called to order by President Joe Gallant with the following present: Mark Taplin, Ronnie Taplin, Susan Smith, Frank Hegarty, Bunny Roberts, Mark Weeks, Marc Stevens, Patty Stevens, Rodney Pratt and Pat Pratt.

A motion to approve the March 10, 2014 minutes was made by Marc Stevens and seconded by Susan Smith and was unanimously approved.

A motion to approve the April 14, 2014 Treasurer's Report was made by Mark Taplin and seconded by Marc Stevens and was unanimously approved.

**Membership Applications:** None

**Legislative Committee:**

The Maine Water Well Commission is discussing Electrical and Plumbing issues and hoping to report to MGWA at the next meeting. The issue of a well being a structure by DEP has been settled and is no longer deemed a structure.

**Education Committee:**

Spring Demo is all set. Ted McLeod has everything in order. Susan Smith will email the suppliers.

**Web Site:**

A motion to renew the web site was made by Mark Weeks and seconded by Marc Stevens and was unanimously approved.

**Old Business:** None

**New Business:**

A motion to renew the affiliate membership to NGWA was made by Frank Hegarty and seconded by Marc Stevens and was unanimously approved. The newsletter should be out by the end of April.

A motion to adjourn was made by Marc Stevens and seconded by Frank Hegarty at 6:57 p.m. and was unanimously approved.

# April Minutes,

continued from page 8

Seconded by: Frank; Vote: Unanimous – denied – incomplete application

**5. ROBINSON, Trent – WD-J**

(\*Please note Trent was approved to sit for the WD-J exam in February of 2012, but did not sit at that time.)

Motion to discuss: Dwight; Seconded by: Joe; Vote: Unanimous - approved.

**6. DESCHAINE, Bert – PI-J**

(\*Please note that Bert applied in 2007. He is now requesting to sit for the exam. He was instructed to submit an updated application & fee.)

Motion to discuss: Dwight; Seconded by: Frank; Vote: Unanimous – denied – incomplete application

**Update: TEMPLE, Hollis – WD-J;** Mr. Temple was approved to sit for the exam in February of 2014. He was contacted on two different occasions, but to date, he has not taken the exam.

**TOPIC:** Finances  
No new news.

**TOPIC:** Other Discussion Items

Frank discussed a new product, approved by NSF, product by MAHER. Don to discuss product with Normand Lamie.

**TOPIC:** Public Comments  
None at this time.

**TOPIC:** Future Discussion

- Sunset clause on exam application timelines. Guidelines needed.
- Application statement (signed & certified) regarding 'who is the master' and which company associated with.
- Review of exam applications if no fee received.
- Commission Chair – review statute.

Meeting Adjourned at 11:45 a.m.

## Water Well Commission Minutes for May, continued from page 9

**Action:** Doris to proceed with standard operating procedures including Well Variance Deed Covenant, and other standard supporting documentation regarding the SWA.

**Anne Morrison & John Sheskey, Homeowners – Temple Well Drilling Company**

**DISCUSSION:** David Braley to assist staff regarding the SWA language on converting an existing drinking water well to closed loop geothermal well. (There was an issue on set-back.)  
**Motion:** Joe moved to approve. 2nd by: David  
**Vote:** Unanimous to approve.

**Action:** Doris to proceed with standard operating procedures including Well Variance Deed

Covenant, and other standard supporting documentation regarding the SWA.

**TOPIC:** Election of New Chair

**DISCUSSION:** The Commission consists of 7 members; 3 drillers, 3 state employees, and 1 public member. Don Robbins' 2 year term is over.

**Motion:** David Braley nominated Dwight Doughty as the new Chair.

2nd by: Frank Hegarty

**Vote:** Unanimous, with Ike and Don absent.  
**Action:** Dwight accepted. Dwight to forward electronic signature to Doris. Congratulations Dwight Doughty.

**TOPIC:** Exam Applications

**DISCUSSION:** The following exam applications were reviewed and approved;

1. **DESCHAIINE, Bert** – PI-J
2. **DESCHAIINE, Joshua** – PI-J
3. **TEMPLE, Scott** – PI-M (Re-review application. References are now in.)
4. **TEMPLE IV, Adelbert S.** – PI-M (Re-review application. References are now in.)

**TOPIC:** Public Comments – none at this time.

## MGWA Director's Minutes for June

Director's Meeting  
 June 9, 2014  
 Waterville, ME

The MGWA Director's Meeting was call to order at 6:15 pm by President Joe Gallant with the following present: Mark Taplin, Harry Hanscom, Judy Hanscom, Susan Smith, Frank Hegarty, Jim Innis, Rodney Pratt and Pat Pratt.

A motion to approve the MGWA Director's minutes of April 14, 2014 was made by Susan Smith and seconded by Harry Hanscom and was unanimously approved.

A motion to approve the MGWA Treasurer's Report of June 9, 2014 was made by Mark Taplin and seconded by Frank Hegarty and was unanimously approved.

**Membership Applications:** A motion to approve the following applications was made by Frank Hegarty and seconded by Mark Taplin and was unanimously approved.

**Associate:** Edward P Moranski, Mincon, Inc.

PO Box 13886, Roanoke, VA 24038  
**Active:** Paul Kelsey, Jr. Reilly Well Drilling, PO Box 8, Walpole, ME 04573

**Active:** Judd Goodwin, Judd Goodwin Well Co., PO Box 17, Greenville, ME 04441

**Active:** Justin Lanphier, Hatch Well Drillers, 13 E Pond Road, Nobleboro, ME 04555

**Legislative Committee:** A letter was sent to all drillers for them to fill out so that the Commission records could be updated. Part of the letter referred to the question of company licenses. A motion by Frank Hegarty and seconded by Susan Smith that The MGWA disagrees with the interpretation of Chapter 232 Section 204.0 to 204.6 by the Commission was unanimously approved.

**Old Business:** None

**New Business:** None

A motion by Mark Taplin and seconded by Jim Innis to adjourn the meeting at 7:15 p.m. was unanimously approved.

# MGWA Director's Minutes for September

The MGWA Director's Meeting was call to order at 6:17 pm by President Joe Gallant with the following present: Mark Taplin, Ronnie Taplin, Ted McLeod, Mark Weeks, Harry Hanscom, Judy Hanscom, Susan Smith, Frank Hegarty and Jim Innis.

A motion to approve the MGWA Director's minutes of June 9, 2014, 2014 was made by Mark Taplin and seconded by Ted McLeod and was unanimously approved.

A motion to approve the MGWA Treasurer's Report of June 9, 2014 was made by Frank Hegarty and seconded by Harry Hanscom and was unanimously approved.

**Membership Applications:** A motion to approve the following application was made by Harry Hanscom and seconded by Ted McLeod and was unanimously approved.

**Affiliate:** Matthew J. Lord, Lawrence Lord & Sons, Inc., 1260 Airline Road, Alexander, ME

**Legislative Committee:** The Commission needs our input on the company license. Is it

important to be under a company license? Joe Gallant and Frank Hegarty suggested that members come to the December 14 Commission meeting and voice their opinions. You can also email them or the Association and the information will be passed on.

**Nomination Committee:** Ted McLeod and Mark Weeks were appointed. Please contact them if you have any interest on being on the board.

**Old Business:** None

**New Business:** Safety Meeting: A motion was made by Ted McLeod and seconded by Frank Hegarty to move the safety meeting from October to the Spring Demo and was unanimously approved.

**Spring Demo Info & Committee Members:** Ted McLeod, Frank Hegarty and Jim Innis were appointed. There was a discussion on the spring demo ideas.

Pat Pratt is retiring from the board after 18 years of dedication.

Please see Sept. on page 5

# Water Well Commission Minutes for May

Wednesday, May 14, 2014  
286 Water Street, 3rd Floor

**Attendees:** Commission Members: Joe Gallant, Master Driller; Frank Hegarty, Master Pump Installer; Tom Weddle, Hydrogeologist, Maine Geological Survey; David Braley, Senior Geologist, Maine CDC and Prevention; Dwight Doughty, Jr. Hydrogeologist, Maine DOT; Legal Counsel: Deanna White, Assistant Attorney General, Office of the Attorney General.

**Absent:** Ike Goodwin, Master Driller and Don Robbins, Certified Geologist.

**Guests:** David Philbrook, Independent Inspector; Cindy Killer, Well Driller/Pump Installer; and Carl Levesque, Master Driller. Minutes prepared by: Doris Labranche, Commission Clerk

**PROCEEDINGS:** Dwight Doughty - Meeting called to order at 9:04 a.m.

**TOPIC:** Approval of April 2014 Minutes.

**DISCUSSION:** Tom motioned to discuss the April minutes; Joe 2nd the motion, the minutes were approved by unanimous vote.

**TOPIC: Current Complaints – Ms. Lisa Pulieris of Windham, ME / Cindy Killer of Atlantic Water Solutions, Alfred, ME.**

**DISCUSSION:** Pump is stuck in the well – cause still unknown. The discussion revolved around the possible use of force to remove the pump; the risks involved in doing so; who would be liable for the costs involved for any damages that may occur; if any violations were found; and should the inspection move forward or be placed on hold at this time. Deanna White distributed a Memorandum from the Office of the Attorney General regarding 'Implied Warranty.'

**Motion:** Frank motioned to table the complaint in order to gather additional info to resolve this issue. 2nd by: Tom; Vote: Unanimous

**Action:**

- David Braley to notify the homeowner of the risks involved;
- David to develop SOP for well inspections/pump removal;

- Request input from the Groundwater Assoc.;
- Form a workgroup for the next meeting to develop guidelines for similar issues in the future; and,
- Notice of workgroup to be placed on the DWP website.

**TOPIC: Current Complaints – Melissa Hackett of Bowdoinham, ME / Carl Levesque of A-Z Water Systems, Gray, ME.**

**DISCUSSION:** On Wednesday, May 7th, 2014, another inspection of the well was conducted. Carl Levesque, David Philbrook, property owner, neighbor, Temple Well Drilling Co., and Glen from Custom Built Homes were present during the inspection. Carl determined that the pump needed to be drilled out of the well. Carl 're-drilled everything'. A new pump was installed; the well was flushed out, 'camera-ed', well seal inspected, casing 'was good', sediment never completely disappeared, however water tests results performed on May 2nd, were satisfactory.

**Motion:** David Braley moved to table the complaint and to have David Philbrook take another water sample after contacting the homeowner. 2nd by: Frank; Vote: Unanimous.

**Action:** Complaint tabled until the June meeting.

**TOPIC: Specialty Well Applications (SWP)** Bruce Church, Homeowner - Stanley Hillock Well Drilling Company

**DISCUSSION:** Proposed well to be constructed with a minimum diameter 10-inch borehole drilled to a depth of at least 120 feet below ground level with 6 inch steel casing grouted in place. Grout shall be either neat cement or high solids bentonite manufactured specifically for grouting and sealing water wells. Grout shall be placed into the annulus between the 10 inch borehole and the 6 inch casing on continuous placement using positive displacement from the bottom of the annulus to the top using generally accepted procedures. Annual water testing is recommended.

**Motion:** Frank moved to approve. 2nd by: David Braley; Vote: Unanimous with Joe recusing himself.

Please see May on page 10

## Commission Minutes for April, continued from page 7

4. Carl Levesque to research the June 9th 2013 water sample results.
  5. Carl Levesque to research 'JR's' full name – if he was the one sitting on the rig.
  6. Doris to e-mail David Philbrook the contact info for the parties involved.
  7. Reconvene next month when more information is available.
  8. Don Robbins to contact the Board of Plumbing and Electrical Board regarding water softeners and water filtration systems regarding license/permits required.
  9. Don Robbins to contact Rodney Pratt regarding 'limited' license past practices. Clarification needed regarding water filtration systems.
  10. Doris to research the Commission's past minutes regarding limited license for a pump installer regarding the electrical piece.
- TOPIC:** Approval of March 2014 Minutes  
**DISCUSSION:** Dwight motioned to accept the March minutes; Tom seconded the motion. The minutes were reviewed and approved. The vote was unanimous with Ike abstaining due to his absence at the last meeting. Doris will distribute to Commission members and post to the DWP website: [www.medwp.com](http://www.medwp.com)  
**TOPIC:** Complaints  
**Status update: Lisa Pulieris of Windham, ME regarding Cindy Killer of Atlantic Water Solutions, Inc.**  
Fact finding revealed:
  - Pump is stuck in the well – cause unknown. Mechanical means required to remove the pump. Probability of something breaking high.
  - Atlantic Water Solutions subcontracted the well drilling project.
  - Atlantic Water Solutions installed the pump.
  - Initial pump installation had issues that resulted in Atlantic replacing the 1st pump.
  - Homeowner was not present during David Philbrook's inspection.
  - Cindy Killer of Atlantic Water Solutions was present during the inspection with her father B. Champney.
  - Cindy Killer was invited by Frank Hegarty to attend today's meeting.**DISCUSSION:** David Philbrook distributed notes from his inspection conducted on 3/27/2014. The pump was pulled by hand 100+/- feet; it came up easy until the last 30+/- feet. The pump got stuck hard (near the shoe) and would not go back up or down. It could not be moved. It was locked. The pipe was rotated three times but locked up each time.

- Reconnected pump to pitless. Pump was trying to lift off pitless. Frank held down on T-handle while David turned on the pump. It seated (pitless) and David ran the water for ½ hour and it cleared. Something was catching down in the well. David Philbrook stopped all activity. David is here today for advice from the Commission on how to proceed.
- MOTION:** Ike moved to send Atlantic Water Solutions to remove the pump. David Philbrook to camera the well, the removal of the pump, and any objects that may come out of the well. If bedrock is the cause of the pump being stuck, that is a natural even, it is not a violation. 2nd BY: Joe.  
**VOTE:** Unanimous.
- ACTION:**
1. David Philbrook will coordinate an inspection with all interested parties.
  2. David Philbrook to camera the activities.
  3. If the pump is not removed, homeowner to be contacted and informed on the status of things.
- Don Robbins: Related to this complain; the certified letter that was sent to Mark Koenig came back 'unclaimed'. Three attempts were made by the USPS. He was the one who actually drilled the well. Ike suggested that the Commission flag Mark Koenig's record if he does return to the State.
- TOPIC:** Complaints Resolved  
Complaint received on 2/18/14 from Erica Richards of Falmouth on Woodsome Well Drilling Co. was withdrawn.  
Complaint received on 2/20/14 from Bruce Church of Kennebunkport on Woodsome Well Drilling Co. has been resolved.  
**TOPIC:** Specialty Well Applications (SWP)  
None at this time.
- TOPIC:** Exam Applications
1. **CHAMPNEY, Meaghan** – WD-J  
(\*Please note Meaghan was approved to sit for the PI-J exam in April of 2013, but to date, has not taken)  
Motion to discuss: Dwight; Seconded by: Joe; Vote: Unanimous – approved
  2. **KNOWLTON, Tobin** – WD-J and PI-J exam  
a. Motion to discuss WD-J: Frank; Seconded by: Joe; Vote: Unanimous - approved  
b. Motion to discuss PI-J: Ike; Seconded by: Joe; Vote: Unanimous – approved
  3. **TEMPLE, Scott** – PI-M  
Motion to discuss: Dwight; Seconded by: Frank; Vote: Unanimous – denied – incomplete application
  4. **TEMPLE IV, Adelbert S.** – PI-M  
Motion to discuss: Dwight

Please see April on page 11

## September Minutes, from page 4

If anyone is attending the NGWA Convention in Las Vegas and would like to be a delegate please contact Pat Pratt and let her know.

There was a discussion on Meetings and there frequency. If there is nothing going on that needs the board's attention our meetings will be: Annual & Director's January, Director's March & April, Spring Demo May, Director's September, October & November. There was also a discussion on moving the Annual Meeting to a weekday and not keeping it on Saturday following the first Monday of January. In hopes of getting more attendance.

Susan Smith let the Board know that IRS Form 2290 Heavy Highway Vehicle Use Tax Return didn't have to be done on drill rigs. They are exempt. The information is on page 3 of the instruction sheet. You have to call the State of Maine, Registration Bureau and tell them your plate number and they mark they vehicle as exempt. The information will be posted on the web site. A motion by Ted McLeod and seconded by Frank Hegarty to adjourn the meeting at 7:49 pm was unanimously approved.

### FYI

### for our readers

Since our newsletter has gone to three editions each year, instead of four, you may find some articles or sets of minutes missing.

In this edition, we have Commission Minutes for March, April and May. There was no February Commission meeting. If you would like to read the minutes for June and July, please go to the MGWA Website at:

[mainegroundwater.org](http://mainegroundwater.org)

**The National Groundwater Expo will be held this year in Las Vegas from December 9 to 12th.**

# Water Well Commission Minutes for March

Wednesday, March 5, 2014  
286 Water Street, 3rd Floor

**Attendees:** Commission Members: Donald Robbins, Certified Geologist, Public Member; Chairman Frank Hegarty, Master Pump Installer; Joe Gallant, Master Driller; Tom Weddle, Hydrogeologist, Maine Geological Survey, Department of Agriculture, Conservation and Forestry; Dwight Doughty, Jr. Hydrogeologist, Maine DOT; David Braley, Senior Geologist, Maine CDC and Prevention; Legal Counsel: Deanna White, Assistant Attorney General, Office of the Attorney General.

**Absent:** Ike Goodwin, Master Driller.

**Guest(s):** Adam Baker, Driller.

Minutes prepared by: Doris Labranche, Commission Clerk.

**PROCEEDINGS:** Don Robbins - Meeting called to order at 9:06 a.m.

**TOPIC:** Approval of January 2014 Minutes  
Discussion: Dwight motioned to approve the January minutes with edits; David seconded the motion. The vote was unanimous. Doris will distribute to Commission members and post to the DWP Website: [www.medwp.com](http://www.medwp.com)

**TOPIC:** Complaints:

**Status update: Adam Baker Well Drilling Company of Canaan, ME**

The discussion revealed a violation of 204.5 and 204.6 of the rules.

The 'Guidelines for Fines, Suspensions and Revocation' does not apply a fine to either of these violations; however, because of the 204.6 violation, 5 points were assigned to the well drilling company. The points will remain on file for 3 years. This was motioned by Frank, 2nd by Dwight, the vote was unanimous.

The Commission reminded Mr. Baker that Maine law requires a contract be in place if a well drilling project exceeds \$3,000. For information on contracts, individuals may contact The Maine Groundwater Association at [http://www.maine groundwater.org/Home\\_Page.php](http://www.maine groundwater.org/Home_Page.php) for a sample contract.

**Status update: Lisa Pulieris of Windham, ME regarding Cindy Killer of Atlantic Water Solutions, Inc.**

Atlantic Water Solutions, Inc. would like to resolve this issue as soon as possible. The homeowner initially suggested waiting until spring to have the inspection done; however, it was decided to send David Philbrick out to inspect the well. David Braley will e-mail Atlantic Water Solutions and David Philbrick to schedule a date/time for the inspection. No other development at this time.

**Complaint received:** On 02/18/2014, a complaint was received from Erica Richards of Falmouth, ME on Woodsome Well Drilling Co. The complaint was withdrawn on 02/27/2014. The homeowner and the well drilling company have resolved things.

**Complaint received:** On 02/20/2014, a complaint was received from Bruce Church of Kennebunkport, ME on Woodsome Well Drilling Co. The complaint has been placed on-hold until April. A possible resolution is pending.

**TOPIC:** Specialty Well Applications (SWP)  
None at this time.

**TOPIC:** Exam Applications

**Hollis Temple of Bob Temple Well Drilling Co.** has been approved to sit for the Journeyman Well Driller Exam sometime this month. Congratulations to Mr. **Wayne Goldthwaite** on passing his J-PI exam; and to Mr. Jay Levesque on passing his M-WD exam. Both individuals are from New Hampshire.

**TOPIC:** Finances  
David provided the Commission with a financial update.

**TOPIC:** Public Comments: None at this time.  
Meeting Adjourned at 10 a.m.

**Thanks Go Out!**  
**The MGWA needs to thank Ted McLeod and his business for hosting Spring Demo! Jeff Quinn from Baroid for all that he did. Also to thank the directors and volunteers that set it all up. The Demo on the screen didn't work, but it was still a huge success even in the pouring rain. Thank You Everyone!**

# Water Well Commission Minutes for April

Wednesday, April 9, 2014  
286 Water Street, 3rd Floor

**Attendees:** Commission Members: Donald Robbins, Certified Geologist, Public Member, Chairman; Frank Hegarty, Master Pump Installer; Joe Gallant, Master Driller; Ike Goodwin, Master Driller; Tom Weddle, Hydrogeologist, Maine Geological Survey, Department of Agriculture, Conservation and Forestry; Dwight Doughty, Jr. Hydrogeologist, Maine DOT; Legal Counsel, Deanna White, Assistant Attorney General, Office of the Attorney General.

**Absent:** David Braley, Senior Geologist, Maine CDC and Prevention

**Guest(s):** Carl Levesque, Well Driller, A-Z Water Systems; Melissa Hackett, Homeowner, Bowdoinham, Maine; Dari Hurley, Coldwell Real Estate Broker; David Philbrook, Independent Well Inspector, Engr. Tech. IV, MeDOT.

Minutes prepared by: Doris Labranche, Commission Clerk

**PROCEEDINGS:** Don Robbins - Meeting called to order at 9 a.m. Introductions were given.

**TOPIC:** Complaints

**Complaint received: A-Z Water Systems – Mr. Carl Levesque, Owner; Ms. Melissa C. Hackett of Bowdoinham, Homeowner.**

Because both parties were present, it was decided to discuss the complaint before reviewing the March minutes.

**Fact finding revealed:**

- Homeowners contract to build a home was with Custom Built Homes.
- Custom Built Homes had a 'verbal' contract with Mr. Levesque for the well drilling.
- Mr. Levesque sub-contracted the well drilling to Wells Unlimited (verbal agreement).
- Mr. Levesque installed the pump system. He does not hold a PI-M license.
- Mr. Levesque installed the filtration system.
- A 'clay like' sediment sample was distributed by the homeowner.
- April 5th, Mr. Levesque returned to the home to 'flush things out'.
- Homeowner stated that a plumber inspected the boiler. Inspection revealed that the water pressure

- was too low. No water pressure on the 2nd floor.
- Mr. Levesque did not provide any of the requested documentation.
- According to a written (typed) statement from Mr. Levesque; "I conducted a pump test at 132 carding machine rd. in Bowdoinham Me. Well is 180' deep and has a flow rate over a 5 hour test period of 5.5 gpm. The water pump is set at 140'. Static level is 35'." Mr. Levesque stated that casing was 42'.
- The builder took water samples originally.
- The homeowner brought in water test results for distribution. Water test results revealed that the Iron and Manganese were high, but typical to Maine water. Sodium was a little high, no coliform, and no e-coli.
- Mr. Levesque installed a filtration system 'last summer'.
- Mr. Levesque is a WD-M and PI-J with his father, Willard Levesque, on as part of the company.
- Don Robbins informed Mr. Levesque that "It is a State law that any work done, for over \$3,000, requires a written contract – a state statute through the Attorney General's Office."
- Willard Levesque, PI-M to be notified.
- Wells Unlimited to be notified. (Wells Unlimited is out-of-business.)
- Doug Wright is the owner of Wells Unlimited.
- Dari Hurley (family friend of homeowner) – the last conversation from the contractor (Ted), revolved around the possibility of the well collapsing.

**Discussion:** The discussion revealed the above.  
**Motion:** Frank motioned to send David Philbrook out to inspect and also for Mr. Levesque/Wells Unlimited to provide the necessary supporting documentation by the next meeting.

Ike moved to send David Philbrook to do a complete inspection of the well and the pump system. Seconded by Dwight and the vote was unanimous.

**Action:**

1. David Philbrook will coordinate an inspection with the homeowner. All interested parties are encouraged to attend the inspection.
2. Ike stated that the driller has 30 days to be notified. The original letter was sent on March 19th, 2014. We need that information before April 19th.
3. Notify Doug Wright of Wells Unlimited and Willard Levesque of Willard & Son Pumps in Caribou, that they are part of this complaint, and need to independently provide us with that information within a certain time period.

Please see April on page 8.
