In the absence of President Rich Sarcone Rich Dilce called the meeting to order at 6:00pm and opened with a discussion of this Sundays, May 7<sup>th</sup>, Westchester Corvette Club Annual “spring dust-off” Car Show. Rich started by warning all members that good driving etiquette for all members and guests is paramount during this event. The park rangers warned us of this. If anyone is caught violating this, the show could be shut down immediately with no refund. We must all be diligent and get the word out to all in attendance.

All members are asked to arrive Sunday at 7:30am to help set-up. The goodie-bags need to be assembled first thing in the morning. All our trophies were received this past Saturday, DJ confirmed, all vendors confirmed. Dennis Tedesco is supplying a generator, however, a long power cable is needed if any member can accommodate. Tables are being supplied by various members. The weather looks good for Sunday so let’s all be there and have some fun and a successful show.

As far as the fall car show goes we are looking for a venue and consequently no date has been set.
