## Summer Private Lessons 2023

### Summer Session:

Music 101 will be closed during the weeks of June 26 - July 10, 2023. *Please note, there will be no August closure. The 2023/24 academic year will begin on Monday August 28, 2023.* Summer Session is therefore a seven-week program during the months of July and August. Students are strongly encouraged to participate in the number of lessons that will best fit their individual schedules to both maintain and continue to grow in their musical studies. A student may choose to attend between 4 and 7 weeks during the summer session. If less than the 7 week session is selected, please notify the studio of the week(s) during which the student will be absent. As we continue our virtual class offering, you will have a choice to select any combination of in-person or virtual lessons for your attending dates. **Credits and/or make-up lessons will not be offered during the summer months.** Please submit payment at time of registration. Payments may be mailed or dropped off at the studio through the mail slot. All students attending summer classes will be registered for the fall prior to returning and/or new students.

### Scheduling:

During July and August, Music 101 will be available for private lessons Tuesday, Wednesday, and Thursday from 2:30 - 8:00 PM. Please indicate your preference of days/times for your lesson(s) as well as instructor(s). All efforts will be made to keep a student with their desired instructor; however, this may not always be possible. Please note: We may not be able to accommodate everyone's first choice of lesson time. Decisions will be made on a first come first served basis.
