## WEST LINCOLN

West Lincoln is a township in the Niagara Region of Ontario, Canada. Main urban areas are located along the former provincial Highway 20. The administrative centre of West Lincoln is the community of Smithville, situated halfway between Hamilton and Pelham.

Retail establishments in Smithville are congregated amongst two major nodes: the downtown core, and the Village Square Mall. Major businesses downtown include Foodland, Royal Bank, CIBC, the IDA, and Niagara Grain and Feed (associated with Maple Lodge). In January of 2013, Smithville's very first tattoo studio called Hellbender Ink Vintage Tattoo opened its doors at the same corner building as the town clock. A new addition to the downtown core business is McMurchie Lane Antiques. It is also the location of several real estate, doctor, and financial adviser offices. Notable commercial establishments in the Village Square Mall include, a Giant Tiger, Home Hardware, Subway, Gino's Pizza, Tim Hortons, Beer Store, and a liquor store. A new addition to the plaza is Touchdown Willy's Tap and Grill. Wellandport has the Home Hardware and Farm supply, whose motto is 'If they don't have it, you don't need it'. Wellandport is also home to Centauri Summer Arts Camp, an arts-themed summer camp for children. Smithville also has a Farmers Market that runs every Saturday morning in the summer. The market features a carefully selected variety of vendors showcasing local produce, preserves, meat, honey, flowers and baking.

deally situated in the middle of the Niagara Peninsula 20 minutes from the Queen Elizabeth Way, this ride offers a pleasant counterpoint to the more heavily travelled tourist areas. Here, the landscape stretches out, interrupted periodically by meandering rivers and cool wetlands that are home to migrating birds and host of other wild creatures. Dotted with small townships and peaceful villages, this rural Niagara route ends on Lake Erie Shore.
