## Auxiliary Basics Course Department Chairman Instructions

Members will send you their answer sheets once they have completed the Senior Auxiliary Basics Course. Compile the number of members successfully completing the course for each unit. Return this cover sheet as well as the completed unit form to the national Leadership chairman prior to the deadline indicated in the plan of action.

Students passing the final examination will receive a wallet-size certificate from the appropriate department headquarters.

Please complete this page and return it with your compiled unit information sheet to the National Leadership Chairman.
