

## Code Lesson

# *Obedience to Parents & Elders*

## What does it mean?

*Obedience means being respectful to your parents and elders and listening to what they say and ask of you, because in the end what they are asking you to do is for your own good, because they care.*

### *Example:*

Your mom tells you to clean your room before you go out and play.

Do you go out without cleaning your room?

**No!**

Your teacher asks you to stop talking in class and pay attention.

Do you keep talking despite their request?

**No!**

Your Dad tells you its time to go to bed because you need rest.

Do you refuse and walk away..even if you really want to stay up?

**I know you know the answer!**
