Student Chromebook

Contract

I, _____, am being given the exclusive use of a Chromebook during class time. The Chromebook is the property of Holy Rosary Academy and must remain on campus. I understand that I am responsible for the proper care and usage of this Chromebook and internet appropriately at all times.

The use of the Chromebook is a privilege that can be taken away if the rules and procedures of the Chromebook are not followed. If I drop, break or damage the Chromebook in any way, my parents will be responsible for a \$150 deductible in order to repair any damage. If I am responsible for the damage to another student's Chromebook, my parents will be responsible for a portion of, or the full amount of the \$150 deductible.

It is our desire to provide a fun and exciting learning experience for you with the use of the Chromebook and Google Classroom. Your partnership in this venture plays a major part in terms outline above.
