

What: Eaglerock Water Association (EWA) 2023 Annual Meeting

Date: March 9th, 2023

Time: 7 PM

Place: Fire District 1 Station, Easy Street

If you are unable to attend the annual meeting, please complete the enclosed proxy and return it to the address provided on the proxy form at least one week prior to the meeting. You may nominate a Board Member or any EWA member as your proxy. The person you nominate must be present at the meeting for your proxy to be counted.

Really Important Information for you:

Close the valve at the street to your property prior to startup. This will prevent unintended flooding of your property, you neighbor's property, and possible damage that you could be liable for in case of a break in your piping, or an open valve in your system.

Note:

1. Eaglerock Water Association will hold their irrigation association meeting at 7:00 pm.

2. A meeting of Eaglerock / West Eaglerock Homeowners will convene at 7:45 pm or immediately following the Water Association meeting. Agenda enclosed.

CLOSE YOUR VALVES PRIOR TO SYSTEM START UP.

Call I.T.C. at 509-886-4100 for ANY Irrigation problems!!!

System startup date is typically during the first two weeks of April. Watch the newspaper for the startup of the Wenatchee Reclamation District canal, or go to the Wenatchee Reclamation District website, www.wrdh2o.com to see when water will be introduced into the canal. Eaglerock pumps will be started a couple of days after water is in the canal.

PLEASE SEE AGENDA ON NEXT PAGE
