The club is looking for people interested in trapping turtles from the pond. Please contact me at [president@yorkiwa.org](mailto:president@yorkiwa.org) or pond chairman Greg Zeigler for more information.

Only members are allowed on our club grounds, and everyone should be wearing their membership card in a visible place. The exception is licensed trout fishermen. Our stream is a stocked stream and fishermen have the right to fish it and be on its banks. They cannot park on our property, fish on the pond, or take advantage of our many other features. **CLUB HOUSE RENOVATION PICTURES**

**BUILDING & GROUNDS**

Our monthly scheduled club work parties are on the club calendar on our website [www.yorkiwla.org](http://www.yorkiwla.org) but we also have been running many supplemental work details recently. We have been sending out emails, but we also announce them on our Facebook page "[York IWLA Buildings and Grounds](#)." Check it out and follow it. There are also a lot of pictures of the ongoing clubhouse ground floor renovation.

Our next monthly scheduled work party is Saturday, June 17th from 2:00 to 4:00 pm. This one will be mostly outside work if the weather cooperates. Chainsaws, hedge trimmers, loppers and other outdoor tools will likely be the most used items. Trucks and trailers are always useful. We may also do some painting and pressure washing. Dress accordingly. Email me at [president@yorkiwla.org](mailto:president@yorkiwla.org) to let me know you're coming, and I will let you know what tools to bring and be able to contact you with updates. It is very helpful to know how many people to expect. We also have monthly scheduled work parties on Sunday 7/23 at 2:00 pm, and Saturday, 8/26 at 5:00 pm also. Remember all ranges are closed for the duration of monthly scheduled work parties.

The winners of the \$25 gift cards for the May work party attendees were Tim Smith, Josh Holloway, Howard Thompson and Bruce Green. Thanks for all your help. It's your club and we really need you to do your part to take care of it.

Please do not donate any materials to the ranges or the club without first checking in with the B&G crew ([president@yorkiwla.org](mailto:president@yorkiwla.org)). We very much appreciate any donation of time or materials. Unfortunately, sometimes donated materials are not compatible with our current systems, forcing us to have to clean up and throw things away. Please drop us a line, anytime, we welcome and encourage your participation.

**YORK AREA SPORTSMAN YOUTH FIELD DAY 2023**

York IWLA donates the club grounds to the York Area Sportsmen for Youth's (YASY) for their annual Youth field Day (YFD). This year it was June 3rd, the only day the club is closed to member activities. This is an incredible event involving many local area sportsmen's clubs, all of whom contribute to make this event happen. I cannot name them all. The months of preparation that go into this even show on event day, it was smooth as could be.

This year, YASY hosted 186 kids, a bunch of tag along siblings, parents and grandparents, to experience 12 stations of outdoor activity. All participants and visitors alike were treated to lunch, door prizes and the kids got goody bags. Everyone went home happy, tired and dirty. A picture is worth 1000 words, so here are a bunch.

York IWLA thanks all of the clubs, volunteers and sponsors who helped make this event the marquis that it is.

## IWLA York Chapter 67

# SANDWICH SALE

### \$9 each

PIT BEEF • HAM • TURKEY  
**Saturday June 17, 2023**

Location: Vernon's Trailer Sales next to the Spry Nell's Market property 2700 South Queen Street  
**Starts at 9:30 A.M. until sold out**

On Friday May 26 Mike A. and I were part of Yorkshire Elementary Schools Conservation Day. We took our four types of trout over and showed the students how different they were. Three kinds of rods and reels were shown and the students really were amazed by my fly rod. The K-2 students were attentive and asked great questions about the fish. I asked each group a special question and the one who answered first got a Tee Shirt. All had a great time including Mike and myself.

Besides the fish another big hit was the black bear muppet that Mike brought. This was the only real bear these students have seen other than the school mascot that looked like Yogi Bear (guidance counselor in funny bear suit). This was great PR for the club and may become a yearly thing.

## TROUT

WE DID IT! Another successful IWLA Trout Season...and we couldn't have done it without all our fish-volunteers. THANK YOU!

The Kids Fishing Derby had good weather with over 130 in attendance, and many large trout were caught! This successful community event is evidence of our volunteer-members energy and commitment (!!) from finding sponsors, event set up, prize give-aways, food tent sales and the day's activities support. We are so grateful for everyone's help!

AND.....We just can't thank you enough! All the feeders & stocking volunteers who helped this season exceeded our expectations—and it showed by the size and health of the trout. The strong IWLA member support provided shorter working hours for the trout-crew, faster release for the trout and a fun learning experience for young & old(er) volunteers. The 2022-23 season has ended and the clean-up of the nursery will start sometime in September.

Mark your calendars now for the 2023-24 Trout season, starting up late October. We look forward to seeing the familiar faces from this Spring, and to welcoming new member-volunteers to help raise a new hover of juvenile trout.

Kudos for a great year with trout and we invite any member who would like to participate with trout activities to contact Bob Nelson at [trout@yorkiwa.org](mailto:trout@yorkiwa.org).
