

G

I'm telling You I love You

D And that I'm gonna serve You

C This love is so much deeper than anything I know

G

I'm pressing into to touch You

D I know I don't wanna leave You

C This place is where I'll set up a memorial stone

C I will remember from where You brought me

I will hold on to where You're taking me

I will mount with wings ^{EM} as like an eagle and soar ^{D C} (repeat + w)

G
You take me those places

D Those secret inner chambers

C Where I am changed ^{into the} to the likeness of You

G
I'm longing for that day when

D
You will come back for me

C And we will live in glory forevermore

(kinda like the start to More than Words)
