## QUALIFICATIONS FOR ENTERING EMERGENCY MEDICAL TECHNICIAN or EMERGENCY MEDICAL RESPONDER TRAINING

Individuals applying for admission to a Washington State EMS training course in Kittitas County must meet ALL the following requirements, or they will not be eligible to enroll in the course:

1. You must be 18 years of age at the beginning of the course, unless pre-approved.
2. You must have a high school diploma or GED (**EMT only** for certification, not to apply for training. Not required for **EMR** certification.). Copy not required for application.
3. You must have the physical strength to perform the normal functions of an EMS Provider.
4. You must complete the National Incident Management System (NIMS) IS 700b, 100c, and 200c courses, prior to start of course for EMR and EMT.
5. You must attend the BLS CPR Course offered with this Course, if applicable.
6. You must be an active member of one of the following (a. or b.) emergency response services in the State of Washington to attend this course and be eligible for WA State certification following successful course completion and NREMT certification:
  - a. Licensed provider of ambulance, aid service, or EMS Supervisory Organization (ESSO)
  - b. Law enforcement agency or affiliated Search & Rescue group (ESSO)
  - c. Other organizations that may recognize NREMT certification may contact us to inquire about course eligibility (will NOT be eligible for WA State Certification).

---

### ADDITIONAL LOCAL REQUIREMENTS FOR ALL LEVELS OF TRAINING

**Recommended Immunizations:** If not declining, documentation is required at start of class.

- COVID Vaccination or declination
- Influenza Vaccination (between October 1 and March 31 yearly) or declination
- Td or Tdap booster (within 10 years) or declination
- MMR Vaccination: 2 shot series at least one month apart, positive antibody titer or declination.
- Varicella Vaccination: 2 shot series at least one month apart, positive antibody titer or declination.
- Hep B Vaccination series, positive antibody titer, or declination.

**Required Screening/Testing** (Coordinated by KCEMS Office, except TB testing):

- 2 negative PPD/TB skin tests **OR** negative blood titer within twelve months at start of clinicals
- Background check with written approval (included in course cost)
- Negative UA/10-point panel drug screening (included in course cost)
- N95 Mask fit test within twelve months at start of clinicals. If not provided by agency contact EMS Office (documentation required)

---

**Include the following attachments with this application or per arrangement:**

- Proof of IS 700b, 100c, 200c for EMR/EMT only.
- Proof of required vaccinations and/or titers, and TB tests (See above. **Application may be submitted pending receipt of documentation.**). Declination forms will be provided after the start of class.
- Copy of driver's license or other legal photo identification.
- Signed Release and Hold Harmless Agreement (pg. 3 of application)
- Copy of professional liability, health and accident insurance **if not provided by EMS agency.** Contact Kittitas County EMS Division for information on obtaining training liability insurance. Application may be submitted pending approval to initial training course before obtaining this insurance.

**Note:**

- **ALL APPLICANTS MUST BE AFFILIATED WITH A LICENSED EMS OR ESSO AGENCY.**
- Completion of application does not guarantee admission to any course. You will be notified of course admission via email. Email and text via cell phone is preferred method of communication.
- **It is the student's responsibility to notify Kittitas County EMS Division of any documented or suspected learning disabilities or challenges prior to the course.**

**KITTITAS COUNTY EMS DIVISION  
RELEASE AND HOLD HARMLESS AGREEMENT**

---

There are risks and dangers inherent when participating in emergency care training classes. These risks include, but are not limited to, injuries during skills practices; back injuries from moving a simulated victim; acquiring communicable diseases; or performing skills on fellow students.

Kittitas County EMS Division / Kittitas County EMS & Trauma Care Council ("KCEMS") cannot guarantee the safety of participants, but authorized and affiliated instructors are trained to take reasonable precautions to minimize risks and safeguard participants' health and safety during training, including:

- Providing each class participant with sanitary personal protective equipment, including, but not limited to, breathing barriers (face shields/masks), eye protection and gloves; and
- Providing sanitary training manikins to practice skills such as chest compressions and rescue breathing.

In addition, instructors and participants should avoid awkward or extreme body positions to avoid back or other injuries from improper lifting and moving. Instructors and participants should not practice moving simulated victims if they have a history of back problems because such practice may aggravate previous back injuries.

Knowing this, I assume the risks inherent in this class and:

- I hereby voluntarily release and hold KCEMS governing board, Medical Program Director, staff, and each of the instructors, skills evaluators and volunteers harmless from any and all liability or costs from injury associated with or arising from my participation in this class, including from negligence.
- I understand and agree that this Release applies to personal injury, including death, and property damage which I may suffer.
- I understand and agree that this Release will be binding on me, my spouse, my heirs, my personal representatives, my assigns, my children, and any guardian appointed by the court for said children.
- I have read this Release and I understand it.
