Discharge Planning

Plans for continuing care begin at the time of admission. Prior to discharge, recommendations are made in conference with the person served based on individual needs and treatment preferences.

At the time of discharge, the person served is asked to participate in an anonymous consumer feedback survey in order to provide informational feedback regarding the services that were provided during their episode of care. This information is carefully reviewed and if necessary changes are implemented by the agency's Quality Improvement department.

Financial Information

ACTS is a private, non-profit organization. Fees for services are due when services are rendered. Reductions and/or waivers are established on a sliding scale basis. ACTS will be collecting \$65 for all initial assessments completed, which is not subject to the sliding fee scale and is due upon intake. We do not refuse services to anyone based on their inability to pay.
