

**FINALLY!**

**OFFICIAL ECPC T-shirts**

Yes, one clever ECPC member decided that after 11 years ECPC deserved its own official T-Shirt! So he (or she) took matters in his (or her) own hands: found a place to have them made, designed the graphics and best of all, got them at an affordable price! There are two styles of shirts - a regular 'T' (that is most common) and a scoop necked slightly tailored shirt some women prefer. See the pictures below (**design will be the same on both shirts**).
