Take Action! Help a Child...

AUGUST 15th – 29th 2020

CASA of the Coastal Bend would like to announce the 15th Annual CASA Superhero 5K Run/Walk. We are honored to have **Herrman & Herrman** be our title sponsor. The race against child abuse can be a long battle, so we are asking the Superheroes of the Coastal Bend to show their support for the children in foster care.

100% of the proceeds ensure that each child in foster care has the opportunity to thrive and have a forever home. CASA volunteers bring children who are victims of abuse a strong voice and healing heart. Please consider joining our 5K and help us give children a fighting chance.

Jeremiah 5 and Jenny 7 were removed from their parents in May, 2016 and placed in foster care due to severe neglect/abuse due to drug use. The kids remained stable in a foster placement for two years, and their parents made no progress. Their CASA, Elizabeth, accepted the case in March, 2017 and worked diligently to find family for them. She was able to find and visit several family members including a Step-Grandfather who would take them. Sadly that placement only lasted a few months because Jeremiah suffered from PTSD with behavioral issues. After being rejected by family, the kids were in two more foster homes before Jeremiah ended up in a residential treatment center in the Houston area, and Jenny was placed in a foster home in the valley. Jeremiah was having trouble in the treatment center, but he found a champion at school, his surrogate parent a volunteer appointed to represent him at school. When Elizabeth spoke with the surrogate parent, she expressed interest in adopting Jeremiah but did not have room for Jenny. Elizabeth kept in contact and a visit was arranged with Jenny. The family fell in love with Jenny too and made the necessary changes to adopt both children. In August of 2018, both children were adopted into a large family with one biological son and three adopted daughters making six. Jeremiah and Jenny got a new forever family and new names, Jeremiah became Jonathan, and Jenny is now Elizabeth. How about that! Elizabeth, the CASA, was their one constant for three and a half years and now Jonathan and Elizabeth have forever homes.

**EVERY CHILD
HAS A CHANCE—
IT'S YOU.®**

With a thankful heart,
CASA of the Coastal Bend
