

Hawthorne Spring Fundraiser 2024

BUSINESS SPONSORSHIP OPPORTUNITIES

The students, teachers, staff and PTA of Hawthorne Scholastic Academy are asking your business to please consider being a sponsor of our annual spring fundraiser held on Friday, March, 8th. The dollars raised go directly toward supporting essential Hawthorne initiatives, including reduced student-to-teacher ratios for math and reading classes; the Arts Partnership Program that features beautiful "Showcase Nights" for each grade; technology equipment; curriculum updates and so much more.

This year, we have two sponsorship levels for your business to consider:

Silver Level Sponsorship \$500

- Recognition on the event's auction website, Hawthorne PTA website, Hawthorne social media and at the fundraiser
- Your message promoting your business on the Hawthorne marquee on Clifton Street for one week before the fundraiser
- Marketing feature about your business in a PTA Email Blast sent to all families one time during the 2024 school year
- Opportunity to send home marketing materials for your business in all student backpacks one time during the 2024 school year

Bronze Level Sponsorship \$250

- Recognition on the event's auction website, Hawthorne PTA website, Hawthorne social media and at the fundraiser
- Your message promoting your business on the Hawthorne marquee on Clifton Street for one week before The Gala

We are also happy to customize a sponsorship that is right for your business - we're open to ideas!).

Thank you for your support! Kristy Patterson and Lauren Lopez (Hawthorne's Gala Committee)
