Happy November Red Owl Families!

It is already November!!! Can you believe it!? This month we are going to be talking about a lot being thankful and all things Thanksgiving! .

We will enjoy creative and sensory fun. During playtime we will continue using our small and large motor skills. We will continue transitioning from one activity to another with song and poems.

Just a reminder to Please bring a two part snack the first week of the November for 15 children. A two part snack could be a fresh fruit and crackers, or cheese sticks and granola bars. Please no juice. Thank you.

Live loved,
Ms. Kayla
