10+10 Education Endowment

Helping Worthy Students

Today & Tomorrow

Each year the 10+10 Education Endowment provides scholarship money for worthy students in the Northern California Conference. The gift you give today will continue making a difference for years to come! Ultimately, 10+10 aims to put an Adventist education within reach of every student in the Northern California Conference.

2017 Fall Campaign

Right now, approximately 300 donors contribute \$10 per month EVERY month, and the endowment is already worth more than \$400,000! This fall, we are campaigning to double our donors from 300 to 600. While \$10 a month (or more!) may not seem like much, when each of us gives a little, we can make a big difference! With each new donor, we are one step closer to making an Adventist education affordable for every student in our conference! The vision for 10+10 is that, one day, every student who wants to attend an NCC school will be able to - regardless of his/her financial situation.

I love Jesus because He died for me.
I want to give my life to Him. I want to
be ready to go to heaven. I also want to
teach people about Jesus.

I would like
to dedicate
my life to
God's work
because I
have learned

how much He loves us and everything
He does for us and I think I should
dedicate my strength to the mission
He has given us.

*"I want to go to a Christian school because I can freely learn and talk about God. ...
I love Jesus and I want to tell others the good news about Jesus' love for us, and
that He died on the cross for our sins. ... I want to be there when He comes again
and I am looking forward to His second coming!"*

-8th grader

I want to serve the Lord because having a relationship with God
is important to me. Jesus is everything to me because He died
for me and came back so I would be saved. Without Him it would
be scary. I dedicate myself and my life to Him because He has
done so much for my mom and sister. We went through a lot
and I think **everything worked out because of Him**. When I
grow up I promise to show God's love through my work.

*I would like the opportunity to continue
my education at [my Adventist school]
because I am really enjoying learning in
an environment where my teachers can
teach me about Jesus. **I want to dedicate
my life to helping others learn about
Jesus.** At [my school], I was able to take
baptism class and I was baptized.*
