

INTERNATIONAL FORWARDING SOLUTIONS

CAPABILITY STATEMENT

CORE COMPETENCIES

International Forwarding Solutions, LLC is a general and specialized freight company with interstate capabilities. We are minority-owned and offer an array of services.

Our services include but are not limited to local, long distance, oversized freight hauling. In addition to our diverse skillset, we specialize in heavy-load equipment transportation, are fully licensed and bonded, and have tracking capabilities for all freight trucks. The IFS team is comprised of dedicated professionals who continuously strive to exceed performance standards and client expectations.

Please contact us today to learn more about our federal contracting abilities.
