

Santa Barbara County Riding Club Rule Book 2018

The purpose of this Rule Book is to provide guidelines for the qualifications of Santa Barbara County Riding Club approved shows and to explain the point system for year-end awards. When a problem arises which interpreting the rules to the letter cannot solve, the solution to be adopted should follow as nearly as possible the spirit of the rules. Any issues not addressed in these rules may be decided based on the most current United States Equestrian Federation (USEF) and USHJA rule books.

DIVISION RULES

A Junior is any individual who has not reached their 18th birthday as of December 1 of the previous year. The age of an individual on December 1 will be maintained throughout the entire competition year. Persons born December 1 assume the greater age on that date. If a competition is in progress on any November 30 junior status at the start of the competition will be maintained throughout that competition. Juniors may not show stallions.

An Amateur is any individual 18 years and over who has not received any compensation or payment in any form such as cash, goods, sponsorships, discounts, housing, board or training in exchange for riding, exercising, showing, training or schooling horses for others. Entries must be paid directly to the horse show from the amateur or by the amateur's family. If a written complaint is filed with the board challenging the amateur status, the amateur shall submit verifiable proof of amateur status including but not limited to pay check stubs and bill of sale on horse the amateur is competing with. If the board deems such proof insufficient, the board may initiate suspension and return of awards and points.

Regulation snaffles, Pelhams, and full bridles, all with cavesson-type nosebands are recommended. A judge, at his/her discretion, may penalize a horse with non-conventional type of bit and/or noseband. In flat classes, martingales of any type are prohibited. In the case of inclement weather, show management may permit use of protective boots in hunter classes.

All professionals and non-professionals riding at a SBCRC show must wear securely fastened protective headgear which meets or exceeds ASTM/SET standards and carries the SEI tag. Any rider violating this rule at any time must immediately be prohibited from further riding until such a headgear is properly in place.

Hunter and Equitation riders shall wear hunt coat, breeches and boots or jodhpurs and jodhpur boots for appropriate age group. Jumper riders may wear same attire as Hunter and Equitation riders or shirt with collar, breeches and boots.

Mules may not be shown at SBCRC.

In the case of a tie, horse or rider with the most points over fences will be given the championship. If a tie still exists, horse or rider with the most blue ribbons will be given the championship. As a last resort, a flip of the coin will decide.

A division can be run with only one entry. Single entry will receive the appropriate points to go toward year-end awards. However in order for a championship and reserve championship to be awarded a division must have 2 entries.

DEFINITIONS OF DIVISIONS

Any SBCRC Horse show, which receives a rating from a separate governing body, such as SFHJA or USHJA shall conform to the applicable rules then in effect for the rated classes and sanctioned by such governing body. Management reserves the right to refuse, accept conditionally, or cancel entries, awards or prizes, and/or adjust the time schedule, combine, scratch or move classes as necessary, without claims or damage.

USHJA OUTREACH HUNTER DIVISION

USEF and USHJA membership is not required to participate in an Outreach Competition or in any USHJA Outreach classes. Non USEF and USHJA members will NOT be charged a non-member fee. USHJA membership at the \$35 Outreach level or higher is required ONLY for an individual wishing to earn points toward USHJA sponsored year-end awards for USHJA Outreach. A \$2 fee for each entry will be collected at each show. At least 3 entries must complete the course or class for points to count. Please review all USHJA Outreach rules at www.ushja.org/outreach.

HUNTER DIVISION

All horses must be serviceably sound. At the judge's discretion, horses showing in approved hunter divisions may be jogged for soundness with the rider dismounted. If jogged, horses must be jogged back in the same bridle in which they were shown and must have their show number displayed.

Performance of a working hunter is based on an even hunting pace, manners, and way of going. Hunters under saddle are to be shown at a walk, trot and canter, both ways of the ring. Light contact with horse's mouth is required. Horses should be obedient, alert, responsive, and moving freely. They should not be eliminated for slight errors. Horse may be asked to hand gallop collectively, one way of the ring, at the discretion of judge. Not more than eight will be asked to hand gallop at the same time. Horses are not to gallop in pre green hunter classes.

A hunter course shall be any course which management deems a fair test of a hunter. Fences shall simulate obstacles found in the hunting field, such as natural post and rail, brush, stone wall, white board fence or gate, chicken coop, aiken, hedge, oxer, etc. Oxers are not to be square.

In SBCRC Hunter classes, points won on the flat will not count for Show Champion or Year-end Awards, unless the hunter competes in at least one class over fences (must jump at least one jump on course) in the same division, per show entered.

If jumping order is established, it must be posted at least one half hour before class.

GENERAL FAULTS

When an obstacle is composed of several elements in the same vertical plane, a fault at the top element is the only one penalized. In combinations (in and out) the faults committed at each obstacle are considered separately. In case of a refusal or run-out at one element of a combination, entry must re-jump all elements.

Judge shall penalize unsafe jumping and bad form over fences, whether fences are touched or untouched.

EQUITATION DIVISION

Rider should have a workmanlike appearance, seat and hands light and supple, conveying the impression of complete control. Hands should be over and in front of horse's withers; knuckles thirty degrees inside the vertical; and hands slightly apart, making a straight line from horse's mouth to rider's elbow. Eyes should be up and shoulders back. Toes should be at an angle best suited to rider's conformation; ankles flexed in; heels down; calf of leg in contact with horse and slightly behind girth. Iron should be on ball and foot. At the walk and slow trot, body should be vertical; posting trot inclined forward; canter halfway between the posting trot and the walk; galloping and jumping same inclination as the posting trot.

In Equitation classes, only the rider is being judged; therefore, any horse suitable for a particular style of riding, and capable of performing required class routine, is acceptable. Unsoundness shall not penalize a rider, unless sufficiently severe to impair required performance. Boots and conservatively colored bandages are permissible.

In SBCRC Equitation classes, points won on the flat will not count for Show Champion or Year-end Awards, unless the rider competes in at least one class over fences (must jump at least one jump on course) in the same division, per show entered.

Performance begins when horse enters the ring or is given the signal to proceed after entering the ring. Except for refusals, jumping faults of the horse are not to be considered, unless they result from rider's inability.

The following are tests which the judge may ask to be performed:

1. Halt (4 to 6 seconds) or halt and back.
2. Hand gallop.
3. Figure eight at trot, demonstrating change of diagonals.
4. Figure eight at canter on correct lead, demonstrating simple change of lead.
5. Work collectively or individually at a walk, trot and/or canter.
6. Jump low obstacles at a trot as well as at a canter. The maximum height and spread for a trot jump is 3' for horses, 2' for ponies in classes restricted to ponies.
7. Jump obstacles on figure eight course.
8. Question(s) regarding basic horsemanship, tack and equipment and conformation.
9. Ride without stirrups, riders must be allowed option to cross stirrups.
10. Jump low obstacles at a walk as well as at a canter. The maximum height and spread for a walk jump is 2'.
11. Dismount and mount. Individually.
12. Turn on the forehand done through the walk or the halt.

13. Figure eight at canter on correct lead demonstrating flying change of lead.
14. Execute serpentine at a trot and/or canter on correct lead demonstrating simple or flying changes of lead.
15. Change leads on a line demonstrating a simple or flying change of lead.
