Dear Jason

I want to thank you for all you did for us, as our fishing guide last Sunday. This was the third year in a row that we, (Son-in-law, two grandsons, and me), were lucky enough to be able to have you as our guide on the Eagle river chain. Thanks for everything, from picking us at our Sunset Hill boat dock, to baiting our hooks, and taking the fish off and cleaning them, to teaching us the best tactics to use at the specific time of the fishing seasons and supplying the best quality fishing gear. Over the years you have never failed to put us on fish in Catfish Lake, Cranberry Lake, or Eagle Lake. Your skill as a fisherman is unequalled, but most of all thank you for treating us as friends, and not just a paying customer. I fish a lot, all over the State, and I always use a guide the first time on a lake, so I have had some good experiences and some bad ones with other guides, but none of them even come close to your service and friendship. Your knowledge and friendship helped make our annual stay at the Sunset Hill house a wonderful experience.

Thank you.

Jim Slawny and family
