

COMMERCIAL DIVING ACADEMY

August 27, 2010

To Whom It May Concern:

I am pleased to write a letter of recommendation on behalf of Brandon Ford. Brandon was a student at Commercial Diving Academy during the summer of 2010. He has successfully completed the most rigorous and challenging commercial diving program in the United States.

Over the course of the program, I have had the opportunity to assess Mr. Ford's abilities and work ethic. Mr. Ford has distinguished himself as an exemplary student, achieving the Academy's challenge coin award for perfect attendance. He has been a leader in his class and will be a dependable and hard working asset to your organization.

Mr. Ford has all the qualities required to excel in virtually any environment – maturity, dedication and integrity. I highly recommend him for employment with your company.

Sincerely,
