

Animal shelter closed now

Randolph County Animal Shelter has closed to the public due to the Covid 19 virus. The shelter is doing its part in trying to keep the community and their staff safe. The board of directors listened to what the officials had to say. Please remember that the staff will still have to be at work to take care of the animals that are already there. They are tentatively set to reopen on April

14 at 9 a.m.. When the shelter does open its doors back, please come see how many great animals they have there.

Also, the low cost spay and neuter clinic has been canceled as well. RCAS will update <http://www.randolphshelter.org> and their Facebook page when that will start back up. Thank you all for your understanding and your support.
