

Georgia Laws & Use of Deadly Force

Instructor: John New

4 hour course

Cost: \$130

The Georgia Gun Laws and Use of Deadly Force class is designed for individuals who want to learn about gun laws in the State of Georgia, legal trends, and how they relate to your rights of gun ownership.

Instructional topics will include:

- Georgia gun laws
- What happens after a self-defense shooting
- Legal ramifications of self-defense shooting
- Laws concerning shooting someone inside your home
- Does an intruder have to be "inside" your home?
- What to do when stopped by a law enforcement officer and you have a gun in your car; are you required to reveal that you are armed
- Laws regarding use of deadly force
- Develop a "tactical mindset" to better prepare for a potential deadly force encounter
- Q&A
- *Much more...*

This course is classroom only.
