DESCRIPTION: The popular Ben Pearson Colt was a nice looking and great performing recurve for an economical bow. This bow has been refinished. Bow has no delamination; no cracks; limbs are straight. Tips are in great condition. No drilled holes; No chips, dings or cracks. No crazing or stress cracks; a few superficial stress lines and long scratches on the limbs which were filled and refinished with India ink and Tru-Oil. Some of the lines are readily visible up close. Decal is a reproduction. I have tested and shot this bow, and it performs very well.

Comes with a new string.
