

# MGA Executive Committee Meeting Minutes

Aug 11, 2022

**Attendees:** Bruce McKnight, Bill Schell, Lee Pereksta, Tony Delmonte, Jim Walsh, Jack Narhi, Mike Bagnato, Tommy Lee

## Agenda Items:

- 1) Jack Narhi called the meeting to order. This was to be a short meeting to discuss an issue regarding last week's results.
  - Tony noted that three people played in one of the 2-man scramble teams on Aug 4 and had won money.
  - Tony said the extra \$15 payout was not an issue budget wise, but he thought it was unfair to the rest of the groups.
  - Jim Walsh said as tournament chair, he made the decision to do that when someone didn't show up for one of the two-man teams. He had only minutes to make that decision, otherwise, one of the players that had registered would have not been able to play in the tournament.
  - After much discussion, we decided that playing with 3 people on a 2-man team was not fair and could be addressed by filling in the teams with no-shows; using those that showing up that had not registered. If we then end up with an odd man group, then the last person that showed up without registering would be dropped from the tournament, but would still be allowed to play for the closest to the pin money only. As a last resort, one of the tournament committee members, could volunteer to be the odd man out. In other words, we will allow the tournament committee to work out how best to handle odd man groups, as long as they keep team sizes to 2 for 2-man tournaments.

**Adjournment:** A motion was made and approved to Adjourn.
