**ST. DOMINIC SCHOOL RECEIVES A DISTINGUISHED MERIT AWARD  
IN LIFETOUCH YEARBOOK CONTEST**

[MINNEAPOLIS, MINN.] – The St. Dominic School yearbook staff received a distinguished merit award in the 2018 Lifetouch Yearbook Showcase Contest.

The publications were sorted into four divisions: High schools with more than 1,000 students enrolled, high schools with fewer than 1,000 students enrolled, middle schools and elementary schools.

Yearbooks were evaluated on the following criteria: Theme/theme development, design, continuity, photography, writing, creativity content and coverage.

“The books reflect hours of hard work by the staffs and advisers,” Laura Schaub, Lifetouch yearbook education specialist and contest coordinator, said. “These books are some of the best elementary and secondary books in the nation.”

For over 80 years, Lifetouch has been the trusted name in photography for schools and families.
