NATIONAL BOWLING LEAGUE

The President's Message.....

Hello Fellow Bowlers!

As president this year I was happy to finish my term in regulation time, as my previous term lasted two years and only included 27 weeks due to this nasty thing called COVID. This term was filling in for Tony who left for brewing and sports related obligations. Thanks go to Dave Giessubel better known as Goose for his fine job as second VP in charge of our social events as I felt they were perfect! And remember Dave, NOBODY misses a five pin!

The 2023/24 season brought many memories including how I became the main reason for Erik's success. Case in point I got five points off of Erik all year (out of 24) and all came in the first third. While I bowled 3 600's and a 700, he bowled in the last four matchups - 803, 713, 676, and 746 (244+avg). Congrats go to Erik for his season highs of 299 and 803 as well as his 215 average. Jimmy Trainor snuck in late with his own 299 to share that high. In fact that night included Jeff Hartney's team rolling an amazing 958 which in turn was enough for Richie K to head to the bar for a beer. Wow!

The Cubs had won almost everything until those Mets had other ideas and won the third third forcing playoffs.

Playoffs were exciting with the Wild Card Brewers beating those Mets 12-9 behind strong efforts from Heimbo and Alec. The final was about as close as I've ever seen and caused Dave, our illustrious Secretary/Treasurer, to do a few recounts before declaring the Cubs as champs 11-10 with many close decisions in there. Congrats go to all of the playoff bowlers.

This year we welcomed new bowlers Nate Rivera and Zach Balga, both of whom helped our league average age go down. And speaking of longevity, Glen finished his 51st season! Also, there was one Kleen Towel won by our president- Me! We had 16 700's and an 800 as a league. Biggest movers average wise this year were Alec and Jimmy- congrats to you both as you helped your respective teams into the playoffs.

Now the serious stuff. We all know there have been many issues with the conditions on our lanes - both mechanical and sticky approaches. While I know we are all frustrated with broken promises we should consider some factors before alley changes are made. We own the place on Monday nights with no second shift pushing us out. On social night we can run a tab and bring in our own food which might not be available elsewhere. We have a place for our draft night and banquet. So with this in mind and the fact that not all bowlers would move, will we have enough bowlers? What would lineage be elsewhere? What would happen to the bowlers left behind? When and if we decide to stay at Sokols can we negotiate better rates if promises aren't kept?

Anyway this is all food for thought.

Let's try to find more "new" bowlers and hope Sokols is telling the truth so we can have another successful season in 2024/25! Good luck to incoming president Gary Hartney!

I truly hope you all enjoy your summer and hope to see you next fall! Oh yeah and Let's go Phillies!
