Discussion Questions

Don't forget to include some specifics about what you offer, and how you differ from the competition.

What's the point?

You could include a bulleted list of products, services, or major benefits of working with your company. Or just summarize your finer points in a few concise paragraphs.

We know you could go on for hours about how great your business is. (And we don't blame you – you're amazing!) Just remember that this is marketing – if you want to grab their attention, keep it brief, friendly, and readable.
