

If your child has elected to work throughout the summer OR if your child is required to attend summer school because s/he did not complete their school year, this is what you need to know:

1. If there have been notifications on your child's Progress Report(s) that summer school is required, don't worry....there is no registration required. We are simply expecting him/her this summer.
2. If you child has elected to attend summer school, no registration is required. Chances are we already know.
3. **Summer School begins Monday, June 4, 2018.**
4. Summer School runs on a regular schedule. Classes begin at 9 a.m. and continue through 2 p.m.
5. Tuition costs remain the same and tuition payments are still due by the 3rd of each month. (Make sure to get your June tuition payment in by the 3rd, even if school begins on the 4th!)
