DESCRIPTION: This is a nice Browning Medallion all-purpose bow. White face limbs and green back limbs. Rare Goncalo Alves riser. Bow has no delamination; no cracks; limbs are straight. Tips are in great condition. In lieu of tip overlays, Browning added a wedge to the end of the limb to strengthen the tips (see pics on last page). This was a higher end treatment before tip overlays became more common. No drilled holes; No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in fair condition. Overall, this is a really nice bow in excellent condition for its age.

Comes with a new shelf rest, side plate and string,
