The MTA meeting held in St. Ignace was a very positive experience especially in regards on how other townships operate and the handling of roads. The state contractors totally dropped the ball during the first major snowfall. Contact Senator Zorn or Representative Shepard if you have concerns. There is a group of Monroe County Supervisors considering a round table discussion in regards to roads.

Currently, there are some very low interest rate loans available for projects.

Motion by Missler to adjourn the meeting at 7:17 p.m. Support by Curley. Motion carried.

Respectfully Submitted:
