

Feline Adoption Application

Adoption requirements:

- If you are 18 or under, your parent/legal guardian must fill out the application.
- All currently- and recently-owned cats must be spayed/neutered, and we verify this when we call your veterinarian's office.
- We do not allow declawing of ANY adopted animals. This is part of our adoption contract. If an animal adopted from us is declawed, we reserve the right to take it back due to breach of contract. If you wish to declaw, we ask that you go elsewhere.
- This is not a one-step process. We want to make sure the adoption is a great match for everyone involved. We will call references and may require a home visit before the adoption is final. This application does not guarantee approval.
