## YORK CHAPTER #67 MONTHLY NEWSLETTER • APRIL 2025

### FROM THE PRESIDENT'S DESK

I need to make a correction to the March Newsletter. According to our current version of the Chapter Constitution and Bylaws, our annual election was moved from May to June, and nominations are accepted through the May meeting. The relevant dates for 2025 are May 20 to make nominations, and June 17 for the annual election.

If you have been a member of the chapter for two years and are interested in running for any elected office, please let me know. We are still looking for a Recording Secretary who has the responsibility of recording the minutes of our monthly Board meeting.

This is the busy time of year at the club so please remember to check the club calendar on our website and the list of upcoming events in this newsletter before heading to the club. This is especially true if you plan to use any of the ranges.

I'd also like to remind everyone that our [General Grounds and Range Rules](#) state that you must, "Pickup and dispose of empty cases, ammunition boxes, used targets, cleaning patches, etc." Used targets and empty ammo boxes blow around and can end up in the creek, and spent ammunition cases and shotgun hulls don't play well with the lawn mower. Please do your best to pick up as much of it as you can and try to leave the area in better condition than you found it. There is currently an excessive amount of 9mm brass at the front of Range 2!

If you know anyone who might be interested in joining our club please encourage them to join by referring them to website at [www.yorkiwl.org](http://www.yorkiwl.org). The Membership page has all the information they need to begin the process.

## JUNIORS PROGRAM

The weather is starting to warm up and we will start doing outdoor activities at the meeting. Please come dressed for the weather and prepared to get dirty.

The Annual Easter Egg hunt is scheduled for April 13, 2025 at 1pm. The egg hunt is for ages 0 to 18 years old. If you would like to register your child or grandchild please text or email me the names and ages of all children interested. The child's parents do not need to be a member so it is ok to tell a friend's kids (as long as they register a week prior to the hunt). I require registration so I can make sure there are adequate eggs for the kids.

Also, there are many fun child activities coming up: Trout stocking, fishing derby, mother's day fishing, youth field day and more. Text or email me for more information (but it is also in this newsletter too)

If anyone is interested in attending please send me an email or a text with your child's age and name. Please email [iwlajuniors67@gmail.com](mailto:iwlajuniors67@gmail.com) or text 717-841-5136

The Pistol committee at York Izaak Walton does much more than just run pistol matches. We now run matches just about every weekend March through November and some involve not only pistols, but pistol caliber carbines, rifles and shotguns as well. Our events range from casual shoots for novices to competitions which draw and challenge some of the best shooters in the world. We have something for everyone. All of our matches are open to the public but most require advance registration, and some require shooters to be qualified before competing.

## FUNSHOOTS

We are sure the beautiful weather helped motivate the 50+ shooters who showed up on Sunday March 30th for our monthly FunShoot. They were treated the some vintage thinking as we are adding back the carnival games and silliness from our roots here at the FunShoot. This month we saw the return of hanging claybirds, the ramped moving targets and of course our food of the month....Brussel Sprouts! We also reduced the round count a bit, so we didn't burn a hole in our pockets and were all on our way to other sunny day adventures by 1:30pm.

We had 4 Jr's in attendance, and they all left with a smile.

Thanks to all who came out, and we hope to see more of you at one of our next matches

welcome visitors who just want to watch. Multi gun action matches are exciting and fast-paced, and require competitors to be extremely familiar with rules and procedures before participating in matches. You shouldn't think that we don't welcome new shooters though. We'll go out of our way to get you involved. It will be 5-6 stages depending on participation and all 3 guns will be used.
