## **BARGAINING BULLETIN #2**

March 19, 2019

### **PREPARATION OF BARGAINING PROPOSALS**

The bargaining themes and proposal areas identified by your bargaining committee were ratified at the Local's February general membership meeting.

Since then, we have been meeting regularly to craft specific language and proposals to present at the bargaining table.

We have proposed a number of bargaining dates to the University and plan to commence negotiations in early April.

We plan to meet to bargain with UBC regularly throughout April, May and June.

The bargaining committee will keep you updated as bargaining proceeds.

**In solidarity,**

**Your CUPE 116 bargaining committee**
