

# THE MOBILE AGENT

Run your business anywhere you are

TOP 7 APP'S EVERY REAL ESTATE AGENT NEEDS ON THEIR HANDHELD DEVICE

The device we hold in our hands is not a phone, its a computer that happens to have a phone.

Think about it, that device is ALWAYS with us no matter where we are, learn how to run your business using your handheld. It will improve your efficiency and effectiveness in serving your customers and your business.

1

## STATEWIDE MLS | MOBILE VERSION

- Property look up on the fly
- Access to ALL MLS forms -Did you know you can upload into MLS proprietary forms such as offer forms, or any other form you use in your business.

"As a real estate agent consumers have an expectation that you have access to real estate information at your finger tips".

## REALTOR PROPERTY RESOURCE (RPR)

- CMA's on the fly
- Property Reports
- Neighborhood Reports
- School Reports

"This is a must, if you are not familiar with RPR you need to educate yourself on this FREE powerful source of information" Visit [narrpr.com](http://narrpr.com) to sign up

2

3

## E-SIGNATURE

- We recommend Authentisign | MLS intergrated

"Makes it convenient and easy to do business with you and second, your time is valuable to be running around chasing signatures".

## CLIENT RELATIONSHIP MANAGEMENT (CRM)

- Manage all the relational assets in your business (database)
- Manage your overall business with transaction management systems, lead generation systems and more..

"If you are serious about growing your business a CRM is an absolute must"  
Google: [real\\_estate\\_crm](http://real_estate_crm) for a list of options

4

5

## SCANNER

- Converts documents to a pdf, makes it easy to email and print.
- Ideal for multiple single file scanning

"Check your app store for options, free versions available "

## LOAN CALCULATOR

- Monthly payments using rates and terms
- Full Amortization

"Check your app store for options, free versions available "
