

Mohnton-Cumru Lions Club Halloween Parade Staging

Important: Staging is one way in the Northridge Development. For the safety of the children and to allow band busses to pass, etc. only enter at **Church St and Sycamore Rd**. If you try to enter from another direction and see barricades, DO NOT ENTER, go around to the other side of the development.

There is virtually no parking in Northridge. Park at the blue star on the map and get a shuttle to Northridge. Do not bring extra cars to Northridge that will not be going through the parade.

For large **GROUPS** that will have multiple vehicles. A good meeting location is the parking lot behind the Berks County South Campus Lot (old Gai-tronics) on Wyomissing Ave at the entrance to Mohnton Borough. Gather your group and follow each other to Northridge.

PARKING is available in the Teledyne lot across from the Park and the end of the parade. Shuttle buses will take you to Northridge.
