Indianapolis Skatepark Advocates Newsletter # 9

ARRRG, the winter. Things are still moving here though. Here are some things to look forward to!

- 1.) Yats helped the Advocates raise almost \$200!! That's amazing thanks guys. We can't wait to do more! Keep a heads up for more opportunities to help.
- 2.) Second Weds are still going. This next week we will be at Sequence sports. 1727 Stout Field East Drive. We will be out there from 5-9 pm.
- 3.) We are still working on some designs images will be available at Sequence next Weds. Come out and see what we've been working on. We are working on hosting some times when people can come and share their input on the new parks. Currently we are working on designs for the following projects:
 - a. Indy Park master plan
 - b. Grassy Creek Park
 - c. Stout Field Elementary
 - d. Hopefully Speedway!
 - e. A memorial for our friend Keaton Ross.

The Indianapolis Skatepark Advocates exist to help park users communicate with the city to make sure that we have areas to ride. Please let us know what you think. We want to create a community at our skateparks.

We always appreciate your input, feel free to message us on social media or email. Looking forward to seeing you at the park. Take care and have fun! See you at the park!

If you haven't yet go to our website www.indyskateparks.com and check out the photos and videos from the Halloween party last Saturday. Big shout out to Austin Friedline for taking the photos and making the video!!!
