

CAPRICORN SLAUGHTER OF THE NEW AGE

The purpose of this study is to consider the astronomical alignments and planetary conjunctions that occur in the Sign of Capricorn in the Winter of 2020-21. It will be at this place in time in the Zodiac or Mazzaroth that all the Inner-Solar System planets converge to display an array of a possible dire omen. Omens of what? Omens of a coming mass slaughter/sacrifice. With this understanding and Biblical context, one is only observing the sky to realize that around the Winter Solstice of 2020, there will be a flurry of celestial activity centered around Capricorn. What is special about the Winter Solstice of 2020 is that the Grand Conjunction of Jupiter with Saturn along with Pluto will be occurring on that precise day. Thus, the coming 'Slaughter' of Humanity will be worldwide and beyond belief when it does occur as a bloodletting to usher in the Luciferian New World Order. Prophetically speaking, does the Bible teach about a coming 'Great Slaughter' to take place? Yes.

The following is the list of planetary alignments and conjunctions that occur in Capricorn from December of 2020 to around February of 2021. During this timeframe, it appears that the center of all planetary convergences occur at this Sign of the Slaughter. A dash signals a conjunction and a comma signals just an alignment.

The Bible teaches that in the Last Days, there will be the Rapture of the Church Bride from the Earth. Thereafter, a time will befall the world whereby Jesus will be pouring out His Wrath. It will be in tandem to the rise of the Luciferian Age that will have deceived all of Humanity by this time. And many believe that the actual Rapture event itself will help to finalize the Luciferian magic ritual that is in place to foment the climax by the slaughter of billions. The book of Revelation alone states that billions of humans on Earth will perish in the coming years. What is holding back the magic ritual is the Body of Christ still presently on Earth.

Thus, the coming 'Slaughter' of Humanity will be worldwide and beyond belief when it does occur as a bloodletting to usher in the Luciferian New World Order. Prophetically speaking, does the Bible teach about a coming 'Great Slaughter' to take place? Yes.

The following is the list of planetary alignments and conjunctions that occur in Capricorn from December of 2020 to around February of 2021. During this timeframe, it appears that the center of all planetary convergences occur at this Sign of the Slaughter. A dash signals a conjunction and a comma signals just an alignment.

The Bible teaches that in the Last Days, there will be the Rapture of the Church Bride from the Earth. Thereafter, a time will befall the world whereby Jesus will be pouring out His Wrath. It will be in tandem to the rise of the Luciferian Age that will have deceived all of Humanity by this time. And many believe that the actual Rapture event itself will help to finalize the Luciferian magic ritual that is in place to foment the climax by the slaughter of billions. The book of Revelation alone states that billions of humans on Earth will perish in the coming years. What is holding back the magic ritual is the Body of Christ still presently on Earth.

CAPRICORN SLAUGHTER OF THE NEW AGE

The purpose of this study is to consider the astronomical alignments and planetary conjunctions that occur in the Sign of Capricorn in the Winter of 2020-21. It will be at this place in time in the Zodiac or Mazzaroth that all the Inner-Solar System planets converge to display an array of a possible dire omen. Omens of what? Omens of a coming mass slaughter/sacrifice. With this understanding and Biblical context, one is only observing the sky to realize that around the Winter Solstice of 2020, there will be a flurry of celestial activity centered around Capricorn. What is special about the Winter Solstice of 2020 is that the Grand Conjunction of Jupiter with Saturn along with Pluto will be occurring on that precise day. Thus, the coming 'Slaughter' of Humanity will be worldwide and beyond belief when it does occur as a bloodletting to usher in the Luciferian New World Order. Prophetically speaking, does the Bible teach about a coming 'Great Slaughter' to take place? Yes.
