Good morning from Mozambique!! It's been 2 long years since we've made a trip back to the States to see our family and friends. We are so grateful that God has provided the funds for us to visit again in December! We will arrive in Atlanta December 1 and stay through January 10. We'd really love the chance to worship with our supporting churches and share a bit about what God is doing over here in Mozambique amongst the street population. We have plans to visit family in Texas December 27-January 5 but other than that, our schedule is wide open. Please let me know if you'd like to schedule a time to catch up or if you'd like for us to join a service at your church.

Thank you for continuing to stand with me and my family as we serve in Mozambique. We couldn't do it without you!!
