

AFFIDAVIT OF PERSONAL KNOWLEDGE – 10/23/2013

(Gordon Brown, P.O. Box 162376, Fort Worth, Texas, 76161)

To Whom it May Concern,

I have known the McDuff family for over 30 years. I met Gary McDuff in Louisville, Kentucky in 1973, while he was working with his Dad and Uncles as Gospel Music Ministers (The McDuff Brothers) traveling around the U.S.

As previously stated in a letter dated 4/19/2012 ... I was present during the time of the formation and duration of Megafund in Dallas, Texas, USA, around 2004 – 2005.

I was never an investor or a part of the administration of Megafund ... but was at their offices almost on a daily basis because of my friendship with Greg Harris (A close personal friend of Mr. Stan Leitner, the main principal of Megafund.) ... and Megafund's interest in donations to a Charity I founded.

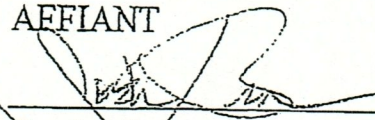

I served as a witness for the prosecution in the trial of Mr. Stan Leitner, sharing my version / account of the activities I witnessed.

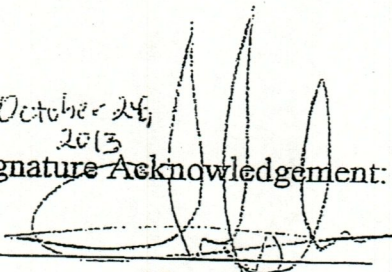

In that version, I stated that I also had seen a 'Letter of Insurance' for Megafund, although the 'letter' was discounted as non-existent.

To my knowledge, Mr. Gary McDuff was never an officer, or in any way a part of the formation, operation, or decisions of Megafund.

He, along with others he introduced to Megafund ... were simply victims of the scheme.
