

# Legionella Awareness and Responsible Person Training Course

Are you the Responsible Person for Legionella Control on your site or do you carry out any of the checks? If so, have you been trained within the last 2 years?

The HSG 274 guidance document states that anyone involved in the Legionella Control Programme should be trained and competent and should then receive regular refresher training.

We would like to invite you to our half day Legionella Awareness and Responsible Person Course covering an introduction to Legionella bacteria, the Legislation relating to the Industry, Roles and Responsibilities, Specific monitoring programmes, Auditing and Risk Assessments. This will be based around the latest version of the ACoP L8 from 2014.

Date: **Wednesday 28<sup>th</sup> November 2018**

Time: **9:30 – 13:00 (arrival at 9:00am for refreshments)**

Venue: **Leicester Marriott Hotel, Smith Way, Grove Park, Leicester, LE19 1SW**

Cost: **£100.00 per person (plus VAT)**

Each attendee will receive a certificate to save in their log book

AQUALECTRICS are a midlands based company who are large enough to cover your area but small enough to still care about our customers. We cover all types of Legionella Control Programmes including monitoring, risk assessments, sampling and swimming pools and spa pools.
