

Ro Firestone, fine artist/speaker/coach, is creator of TheEmptyWomb.com, a movement to unleash the silent conversation of women's infertility. Betsy Chasse, Director/Writer of the internationally bestselling film, *What the Bleep Do We Know*, created a documentary based on Firestone's story and artwork. Currently writing a book with the Chair of American Society of Neuropsychiatry, Dave Durham MD, Firestone speaks of creativity, happiness and empowerment to Fortune 100 companies, Young Presidents Organization, and spiritual communities. Featured in the *New York Times*, *Parade Magazine*, *Huffington Post*, *San Francisco Chronicle*, and the cover of *Santa Fe Now Magazine*, Firestone owns SantaFeArtClasses.com, and is painting Don Miguel Ruiz; *The Four Agreements*, and Dr. Michael Bernard Beckwith of *The Secret*, for her long-term project *12 Global Visionaries*. In 2017, India's Women's Economic Forum conferred her the award, *Iconic Leader Bettering the World for All*. Firestone travels throughout the world to inspire and motivate women. www.RoFirestone.com.
