

Windstone Community Association II, Inc.

2025 Board Candidates

Candidate: Vivian Porretto

How do you feel Windstone Community Association II, Inc. would benefit from your involvement on the Board:

I have been involved with the Board in one capacity or another since 2002. I have been President of the Board for a total of 19 years. I am very familiar with all aspects of the Association. I have strived to do the very best for our community. Due to the age of our community, we have a lot of maintenance to do, especially with our trees, cul-de-sacs, and updating the tennis court at the front entrance.

Please tell us anything else you'd like to share:

I would like to continue serving on the Board and Committees. I have a tremendous amount of experience and knowledge with the Association and plan to use that experience now and in the future.

Candidate: Susan McKenna

How do you feel Windstone Community Association II, Inc. would benefit from your involvement on the Board:

By sharing my experience and continuing to proceed with necessary capital projects and enhancements for the Association. I will stay committed to the duties of a Board member.

Please tell us anything else you'd like to share:

I would like to run for the position of a Director. My experience as Secretary and Treasurer has provided valuable insight into the operational management of the Association. I would propose the hiring of a management company to alleviate the volunteer time currently needed, potentially attracting more members to volunteer.

Candidate: Janet Meeks

How do you feel Windstone Community Association II, Inc. would benefit from your involvement on the Board:

My education and counseling experience could be valuable when developing goals for addressing the current and future needs of our community. I have experience communicating with businesses and nonprofits to facilitate partnerships between the school and the community. I have experience writing grants to fund vocational programming.

Candidate: Janet Meeks, continued

I have utilized various learning management systems, developed a company website and am comfortable with most types of technology. In my role as Grievance Chairperson, I have experience in revising language in the bargaining agreement and assisting in the enforcement of the regulations outlined in the bargaining agreement.

Please tell us anything else you'd like to share:

I volunteered on the survey committee that collected information about the recreational needs of our community.
